## ONCE UPON A TIME

Once upon a time, Jerusalem was a thriving and bustling city with a lot of people living in it. Jerusalem was one of the greatest cities in the world. But then it became a lonely, lifeless and deserted city.

Once upon a time, nations would have wanted to be friends with Jerusalem. But when it fell, no one came to comfort it. In fact, they left and turned their back on Jerusalem.

Once upon a time, Jerusalem used to be treated like a princess, well-respected and served. But then, it turned powerless and worthless, and no one came to its rescue. It was treated like a slave.

There is a saying, life is like a ferris wheel: sometimes you're up, sometimes you're down. Sometimes, you are at the top of the ferris wheel. Sometimes, you are at the bottom. Wherever your position is, be assured that God who gives the true joy and God who gives comfort of all troubles is with you!

### **Key verse:**

*James 4:14  
But you do not know what will happen tomorrow! Your life is like a mist. You can see it for a short time, but then it goes away.*

### **Prayer**

*Dear God, help me to keep my eyes on You and not to worry about anything in my life. I am well taken care of by You all the time. Amen.*

## PLEASE WAIT, GOD IS WORKING

Joseph waited for over 13 years before God's prophetic promise was fulfilled. In Egypt, he was made Pharaoh's Prime Minister at the tender age of 30 years.

Abraham and Sarah waited for 25 years for the fulfillment of God's promise, a son whom they named Isaac.

Noah waited patiently on God for around 100 years while working on the ark. His focus was on God alone, not on the mockery from the people around him. The ark saved him and his whole family.

Job's suffering seemed an eternity to him as his wealth, children and health were taken one by one from him. Yet, he stood firm in God and never once cursed God. As a result, God returned everything that he had lost in double portions.

In the midst of his agony, Jeremiah found hope in God. He claimed with faith that God is good to those who put their hope in Him, seek Him and wait for Him patiently.

Wait on God. God is working. God has promised that many untold blessings are reserved for those who wait on Him.

**Key verse:**

*Lamentations  
3:26*

*It is good to wait  
quietly for the  
Lord to save.*

**Prayer**

*Dear God, help  
me to be still in  
Your presence  
and to wait  
quietly and  
patiently before  
You. I need You  
more than before.  
Amen.*

## FIND YOUR WAY BACK TO GOD

Zayn was jumping up and down on his parents' bed. Then he realized the mattress had moved out of the bed frame. Zayn tried to move it back but the mattress was bigger and heavier than him. Zayn called his dad to help. His dad helped him, after giving him an earful.

Jeremiah wrote that what makes people fall is their own sins. Only by turning back to God will they be restored. With a humble heart, Jeremiah prayed to God to help them to turn back to Him because he knew that the people's hearts were hardened and stubborn, and only by God's grace could they initiate repentance.

Just like Zayn, sometimes we are not strong enough to make everything right by ourselves. We should humbly ask God to change our hearts and help to bring us back in the right direction. We can have a complete faith that He will definitely help us find our way back to Him. This is what He desires from us.

**Key verse:**

*Lamentations  
5:21  
Restore us to  
Yourself, Lord,  
that we may  
return; renew  
our days as of  
old*

**Prayer**

*Dear God, bring  
me back to  
Your way, Your  
love and Your  
direction. Hold  
my hand so that I  
will not go in the  
wrong direction.  
Amen.*

**EZEKIEL 3:1-3**

## AS SWEET AS HONEY

If you are given a bowl of salad and a bowl of chocolate chip cookies, which one would you choose to eat first? I bet most of us will choose the latter. Who does not love sweet snacks? Sweet foods are normally not too healthy if over-consumed. However, there is one so-called mega-food named honey. Honey is sweet and nourishing if consumed in the right amount.

Who does not like hearing kind words that are as sweet as honey? Some of you might even be called 'honey' by your parents! It means you are special to them.

The Bible says that God's words are sweet like honey. We taste its sweetness when we listen to our pastor or Sunday school teacher teaching the Word of God. We taste its sweetness when we read God's word, meditate on it and memorize it.

Honey can help us restore our strength, and likewise, God's word can restore our strength when we are weak or down. Taste the sweetness of God's Word by believing and obeying it.

### **Key verse:**

*Psalm 119:103*

*Your words are so sweet to me, like the taste of honey!*

### **Prayer**

*Dear God, I want to love Your Word. To hear Your voice. To love Your presence. Amen.*

## A TOOL IN GOD'S HAND

Ezekiel was the prophet who was willing to obey God's command, no matter how unusual it seemed. God asked Ezekiel to lie on his left side for 390 days and for extra 40 days on his right side. He had to bake some bread over a fire which was fueled with cow dung.

What did all this mean?

It meant God would punish Israel for 390 years and punish Judah for 40 years. The food part was to show how the Israelites would be eating defiled food among the nations where God would drive them.

The people of Israel would have seen Ezekiel daily, lying on his side, and also baking and eating bread. They would have been curious and started asking Ezekiel why he did all these things. This way, Ezekiel could explain to them what they would experience if they would not repent.

Just like Ezekiel, let us be willing to become a tool in God's hands to show God's purpose and share God's message to others.

### **Key verse:**

*2 Timothy 3:17  
Using the Scriptures,  
those who serve God will be prepared and will have everything they need to do every good work.*

### **Prayer**

*Dear God, I believe in Your Word as it is the guide of my life. Let me be Your tool to deliver Your word to the people around me. Amen.*

## DO NOT BLAME OTHERS

God showed Ezekiel the sins of His people in Jerusalem. God took him in a vision to the temple where they looked inside at what the people were doing.

Verse 12 writes that the elders of Israel were acting as if God had forsaken the earth and He had no way to see them. Because of their silly assumption, the people of Israel had worshipped images of beasts and reptiles as if finding satisfaction in things other than God.

God never leaves his children. In fact, God had called and embraced them many times yet they refused Him. Eventually, they blamed God, saying that God had forgotten about them. How hurtful it was when God heard this! They were in a mess due to their own sins and led into finding false gods.

As part of our spiritual growth, we have to learn to admit our mistake or sin, and repent, instead of blaming others. Pointing fingers and placing blame on others will only drag you further in the wrong path.

### **Key verse:**

*Leviticus 5:5*  
*When anyone is guilty of any of these things, he must tell how he sinned.*

### **Prayer**

*Dear God,  
give me the courage to take responsibility for every action I take, always do what is right and confess my sin when I am in the wrong. Amen.*

EZEKIEL 10:1-20

## THE MATCHLESS GLORY OF GOD

Cherubim is a symbolical angelic figure repeatedly mentioned in the Bible. In Ezekiel's vision, they appear as living creatures supporting the throne of God.

The presence of Cherubim represents the likeness of the glory of God that comes above them. Ezekiel fell on his face when he first saw the glory of God (Ezekiel 1:28). It was so magnificent and majestic that one's eyes couldn't handle it.

The glory of God can't be simply put into words. But, there is no doubt that His glory is so much beyond what we can imagine. What is our problem as compared to His glory? Surrender all of our struggles and worries to Him. He will take care of them all.

### Key verse:

*Romans 8:18  
I consider that  
our present  
sufferings  
are not worth  
comparing with  
the glory that  
will be revealed  
in us.*

### Prayer

*Dear God, all  
my worries  
and problems  
are nothing  
compared to Your  
Glory. I believe  
You are more  
than able to  
take care of  
them.  
Amen.*
